

Dear Friends,

Something amazing happened to me and my family on May 4, 2016. I found out how many friends I have in the village of Neshotah. More than that I learned just how much they care about me.

My family, was in awe of all of you. They saw in your faces the kindness, caring, and most of all love. They saw a side of their mother and grandmother they never saw before, and loved every minute of it. They will always remember that day as will I. I can't thank all of you enough.

A special thank you to Cindy and Mr. Lartz for putting it altogether.

God bless you all, from my family and me.

As always,  
The Meder Family

For everything you've done...

for being the special people

that you are...
